“Achievement, ambition and progress for all....”

Dear Parents and Carers,

This week Pupil Voice have been helping with the interviewing for our new Headteacher. We have interviewed three candidates and asked questions such as, 'what was your degree and why did you choose it?' and 'Why do you want to be a Headteacher at John Ball?'

We discussed their answers and gave them a score out of 5. We also experienced their fascinating assemblies, such as 'What makes you, you?' 'You are awesome' and 'How to be an entrepreneur.'

We also gave feedback to the governors about what we thought. This helped them make a decision. It was a really enjoyable process. We look forward to doing more of this in the future.

We are pleased to announce the new Headteacher of John Ball will be Jacqui Noakes!

Regards

Harrison and Sienna

Walking For Jimmy

Each year hundreds of For Jimmy walkers walk across 21, 14 or 7 bridges of London to support the cause.

For Jimmy is a local grass roots charity set up to work towards early intervention in youth crime to build safer communities for our children.

The walk is their biggest community event and they hope that John Ball pupils, parents and teachers would like to join them on 25th May.

As youth crime has been such an important issue in recent times we are really looking forward to working with local communities, parents and schools so that children can walk to school without feeling or being unsafe

Here is a short video of [last year's walk](#).

Here is how everyone can [sign up](#) to the walk.
