

Calling all **kids!**

What are you dreaming of doing once the pandemic is over?

<https://www.bottlemoments.com/covid-19-kids>

HERE'S HOW IT WORKS

Step 1: Download and print out your Bottle Moments template [here](#). There are a few different designs to choose from!

Step 2: Draw! What are you dreaming of doing once the pandemic is over? **Be as wacky, weird and wonderful as you like!** You don't have to be the world's best artist - we want to see what you're looking forward to, however you'd like to draw it! Above all, have **fun!**

Step 3: Get your parent, teacher, carer or a friend/family member to post a picture of your drawing on either their **Instagram or Twitter**. Make sure they add a description of your Bottle Moment, include your **age**, and **use the hashtag #bottlemoments** in their post in order for your entry to count!

If you are unable to enter using social media, entries can alternatively be emailed to: hello@bottlemoments.com
