

There are 55 Hamptons signs dotted around our neighbourhoods in SE3, SE12 and SE13.

35 of them will have numbered eggs attached. When you see an egg, match it to the one on your form, and enter the number in the adjacent box. Keep going until you find them all and fill the form.

All completed forms should be photographed and emailed to friendsofjohnball@hotmail.com

The competition will start on Good Friday 2nd April and will close on Sunday 11th April.

When the competition closes, we will put all completed and correct forms into a draw, and we will randomly select the winners of the prizes:

1st place prize is £50, 2nd place prize is £30 and 3rd place prize is £20

Winners will be emailed after the 19th April.

The signs are spread across a large area, so you may want to do the trail across a few days. Even if you do not manage to find all the eggs, there is still a lot of fun to be had exploring the local area. Chocolate is not included in the trail, so make sure you bring your own.

We are so grateful to all volunteers who allowed a sign up at their property. Hamptons are kindly donating funds to Friends of John Ball, so this competition is free to enter.
