

Will you help make our children healthier, safer & more productive?

Please support Project Plant Power - John Ball's Green Screen

Toxic air pollution stunts children's lung growth

- Kings College London

How to donate

via Virgin Money Giving:

<http://virginmoneygiving.com/fund/johnballgreenscreen>

If your workplace has a sustainability team or foundation, ask them to consider funding. They can donate via Virgin Money Giving or speak to us directly.

A 20% reduction in NO2 can improve children's ability to learn by 3 weeks in one year

- The Mayor of London

**Improve air quality
Increase biodiversity
Reduce noise pollution
Provide privacy**

Please donate today if you can
