Friday 16th July 2021

“Achievement, ambition and progress for all....”

News from across our community

With the closures of the bubbles this week, we have been rather quiet on the ground across school. We are, however, looking forward to welcoming you all back on Monday and our final week in school. YR6 are busy preparing for their shows next Tuesday and Wednesday and of course their leavers assembly, always the sad part of the end of term! Tickets for all these events are available via Eventbrite so please follow the links on the letter that has been sent out to book your places. Please note it is strictly 2 tickets per child on each night and for the Leavers assembly.

We are still looking to fund our green screens so if you know of any companies that may be able to help, please do put them in touch with us.

Safeguarding News - 'Among Us' parent advice

Many children are playing a popular multiplayer game called, 'Among us'. The age rating of this game is 7+ and 9+ in the App Store. However, it's still worth checking out all the details to see whether this game is appropriate for your child.

Please follow the link to find out everything you need to know about this game; from the privacy settings to the actual content.
